Continued on back

- There is a max of 6 tickets/family for purchase on the first studio ticket sales day (April 1, 2012). After this date, there is a max of 10 seats/family. If still available, tickets will be sold at the door on show day, without any purchase limit. The Miramar Cultural Center will accept cash or credit card payments for ticket.
- Children 2-years-old and younger do not need a ticket; they can sit on the lap of a family member.
- In order to be fair to all families purchasing tickets on April 1st at the studio, one representative for each dancer (family) must be present in line. One family cannot purchase seats for multiple families.
- We will not be reserving tickets through email or over the phone. If you would like to purchase tickets on April 1st, you must have a representative for your family present.
- We are working very hard to make this a special event for you and your dancer. We are asking for everyone's cooperation and consideration when waiting on line/purchasing tickets on our Studio Ticket Sales Day. We will be moving as quickly and efficiently as possible, all the while striving to give each family the attention they deserve.
